

The health insurance may be proven by:

- a) documents attesting the quality of insured in the national health insurance system in Romania, respectively European health card, insurance card, other documents attesting this quality;
- b) documents certifying that the person is insured under national health insurance systems of other Member States, i.e. the European health insurance card or any other document that gives rise to the right to medical care, issued for the implementation of the Regulation (EC) no. 883/2004 of the European Parliament and the Council of 29 April 2004 on the coordination of social security systems, published in the Official Journal of the European Union series L no.166 of 30 April 2004, as further amended and supplemented;
- c) health insurance policies concluded with private insurance companies that cover, on the territory of Romania, at least the risks covered by a health insurance in the Romanian health insurance system. Health insurance policies concluded for tourist purposes are not accepted.”

As an exception, if you are a family member of a Romanian citizen, the proof of the health insurance lies with yourself exclusively.
